Waaaaaaoo
Yeah, yeah, yeah
Oh no no no no, no no no no
Ow

Well we can't it this week
And her friends don't want another speech
Hopin for a better day to hear what she's gotta say
All about that

Personality crisis, you got it while it was hot
But now frustration heartache is what you've got

That's why they talk about personality, personality
Ow

But now you tryin to be somethin, now you gotta do
somethin
Wanna be someone who cow wow wows
But you think about the times you did
They took every ounce

Well, it's sure got to be a shame
When you start to scream and shout
You got to contradict all those times
You butterflyin about
You was butterflyin

About a
Personality crisis you got it while it was hot
It's always hot you know when
Frustration heartache is what you've got

Ow, I'm sorta talkin bout personality
Yeah, yeah, yeah
Ow

And you're a prima ballarina on a spring afternoon
(whistle)

Change on into the wolfman howling at the moon
Ah-oo

About a
Personality crisis, you got it while it was hot
It's always hot you know when
Frustration heartache is what you've got

Ow, ow ow about another personality, personality
Ow
Yeah, yeah, yeah

Now with all the crossin finger Mother Nature says
Your mirror's gettin jammed up with all your friends
That's personality
Every see aint startin to blend

Not on one

Personality, when your mind starts to bend
Got so much
Personality affection of a friend
Of a friend, of a friend, of a friend
Personality wonderin how celebreties ever been
Look and find out on television

Personality crisis, you got it while it was hot
It's always hot you know when
Frustration heartache is all you've got

Oh, don't you worry
Personality crisis, please don't cry
It's just a personality crisis, please don't stop
Because you walk a personality, talk a personality
