I can't ever  
Understand  
Why my lifes, been  
Cursed poisen,  
Condemned  
When I been tryin every night  
To hold ya near me  
But I'm tellin you  
It aint easy

Ever since I been  
Ridin, right on the  
Subway Train  
You can hear the whistle blowin  
Wa might think I'm goin insane

And now your friends  
They're fillin up my car  
But your so busy readin Suzy says  
Ya can't look now  
You didn't see your lovers  
There all just in rags  
Ya know ya hid as pushin up posies  
Tryin get ya fed

We was all  
Ridin, right on the  
Subway Train  
And you can hear the captain shoutin  
He thinks I've gone insane

Cus I keep  
Ridin, keep on  
Ridin, cus I keep on  
Ridin ridin ridin, keep on  
Ridin, yeah

You stop and you stare,  
As I'm lieavin my favorite place  
We have no regards  
Ya can't find a trace  
Ya gotta get on back to daddy

That's all it's gonna be  
He got the poison black arts of the pimps  
But don't ya st- st-

I seen em travelin  
Right on the  
Subway Train  
Ya can hear th captain shou-ow-tin  
He thinks weve all gone insane

Cus we keep on  
Ridin ridin ridin  
Ridin, cus we keep  
Ridin ridin ridin  
Keep on ridin

I think a see the train  
I see ya got open track  
I'm hopin  
One of those gonna bring my baby back

(Cus I guess I said)  
Dinah wontcha blow  
Dinah wontcha blow your horn  
Dinah wontcha blow  
Dinah wontcha blow your horn  
Someones in the kitchen with Dinah  
I know whoa whoa whoa  
I said someones in th kitchen with Dinah  
I know

I keep on  
Ridin ridin ridin  
Puss 'n' Boots  
And now you're walkin'  
Just like you're ten feet tall  
Go ahead

Lickity split  
Better move quick  
Better not slip  
Better get hip  
I don't think it fits  
Lookin' for a hoot  
I'm gonna shout,  
Where'd you get those boots!

Just like Puss 'n' Boots  
I hope you don't get shot for tryin'  
Oh baby, shot for tryin'

Oh little rhinestone target  
Has to change his name  
Cause all the boys and girls  
Think that you're too easy game  
Don't you know the shoes  
Is makin' him lame  
Shut him up boss  
Keep the change

Just like Puss 'n' Boots  
I hope you don't get shot for tryin'  
Get shot for tryin' Shot for tryin'

There's just one thing  
That I'm trying to say  
Sometimes you got to get away some place

And now you're walkin'  
Just like you're ten feet tall  
Oh, Boy girl that's just all

Just like Puss 'n' Boots  
I hope you don't get shot for tryin'  
Baby shot for tryin'

If all you wanna do is save your face  
And what you gonna do after this place  
I'm screamin' help help help  
Full of grace, now what I say

Little rhinestone target  
Has to change his name  
All the boys and girls  
Think he's too easy game  
Don't you know the boots  
Are makin' him lame  
I'm screamin' shut him up boss  
Keep the change

Just like Puss 'n' Boots  
I hope you don't get shot for tryin'  
Baby shot for tryin'

Well this is one thing that I'm tryin' to say  
Sometimes you got to get away some way  
Until you're walkin' just like you're ten foot tall  
Boy girl that should be all  
Just like you're ten foot tall  
I sure hope you don't fall oh,  
When you're ten foot tall  
Go ahead now

Making that split  
Better move quick  
Better not slip  
Better get hip  
I done plead the fifth  
Going for a hoot  
I thought I'd shout  
Hey where did you get those boots

Just like Puss 'n' Boots  
I hope you don't get shot!
