Who's the one that wants to take her home and make
'em say they wanna stay a year
Who's the one that wants to take 'em home and make
'em crawl right thru the years
oh baby
Who's the one that wants to slam it in the door and try
to keep it
like a mystery girl
Who's the one that wants to kick it on the floor and try
to beat it like a scattered rug
I'm talkin' 'bout love
(who are the mystery girls)
'cause I wanna know
(who are the mystery girls)
So why don't cha tell me
(who are the mystery girls)
Who's the mystery girls
(who are the mystery girls)
So Who's the one that wants to smoke obsessively and
tell 'em where she can roam
Who's the one that's wants to mill out in the street and
leave 'em shouting "yankee go home"
Cmon tell me
Who's the one that wants to slam it in the door and try
to hide it
she's a mystery girl
Who's the one that wants to kick it on the floor and try
to treat it like a scattered rug
I'm talkin' 'bout love
(who are the mystery girls)
'cause I wanna know

(who are the mystery girls)
what do ya know about love
(who are the mystery girls)
Who's the mystery girls
(who are the mystery girls)
So who's the one that wants to tell 'em what's wrong
and tell 'em what don't belong
I don't know what's goin' on but i KNOW THAT i'VE BEEN
LONGIN' FOR SOME
Who's the one that wants to slam it in the door and try

to hide it
like a mystery girl
Who's the one that wants to kick it on the floor and try
to beat it like a scattered rug
I'm talkin' 'bout love
(who are the mystery girls)
'cause I wanna know
(who are the mystery girls)
So why don't cha tell me
(who are the mystery girls)
Who's the mystery girls
(who are the mystery girls)
