Weâ€™ll falling into town  
Let me lift you high  
Itâ€™s only inside our minds  
Paradise got left behind  
Where weâ€™re gonna go  
Where weâ€™re gonna stay  
What weâ€™re gonna do  
Are we gonna find a way to play  
A stain in the universe as we . anywhere  
We go from city to city  
Where lights are pretty  
Beautiful people dance around everywhere  
Right imposed that . and the wind blowing the  
newspaper  
To the square right here  
Time is always just a thief  
Disguising itself as a grief  
Until you abandon your â€¦  
You you donâ€™t have to yell  
Or wait for my return  
Things donâ€™t have to burn  
Sit in solitude  
A stain in the universe as we . anywhere  
You donâ€™t have to cry  
You can dry your eyes  
You donâ€™t have to cry  
Let me see you smile
