Just another day here alone and living life without you
Can't stand my lonely days staring at four walls
The trust I feel here when your presence is around me
Makes me hurt when you are gone
Cause... I Love You

[Chorus]

Wipe away my tears
Come back, come back home
Wipe away my tears
Save me from life without you
Wipe away my tears
One more night without you here
And i cry, i cry, i cry, i cry, i cry, i cry, i cry, i cry, i cry

Just another day trying to figure out life without you
So I sit here writing this song whoa oa
In another point in time we would be together
But our lives are too complicated to solve
And I... Still Love You

[Chorus]

[Last Chorus]

Wipe away my tears
Come back, come back home
Wipe away my tears
Save me from life without you
Wipe away my tears
One more night without you here
And i cry, i cry, i cry, i cry, i cry, i cry, i cry, i cry, i...
Wipe away my tears
Only when you come back home
Wipe away my tears
Come back to where you belong
Wipe away my tears
One last night without you here
No more, no more, no more, no more...no more tears!!!
