In the club (the club)

Give me love give give me love within in

All my girls in the house get low

If you look good go on touch your toes

Fuckin with your boy here.

Raving ?til dawn the dogs they get BUSY

Put the song on they (they) all get DIZZY

Uckin with the cattie again we get addict

Chicks on my dick and I'll prolly get at it.

Walk into the back with a couple of females

Why you on the phone checkin? the e-mails

Feelin? kinda drunk now I can?t te-eh-ell

If thas your girl dawg oh well!

(She?s going with me)

Enough with the BLAH BLAH you know I really

Wanna see your NA NAS girl get silly

So I told her bend over

[Chorus?]

In the club (the club)

Give me love give give me love within in x4

Do you like it in the club?

But I will not cut cus I love that ass

So I?ma stay right here ?til the sun comes up

And I?ma watch you SHAKE IT GIIIIIRLL

And if you got that cake go on and BAKE IT GIRLLL

SHAKE THAT KINKY BOOTAYY

So you wanna go home with me  
Okay come home with me  
We can get up in the bed for the day  
Get it right spend the rest of the night  
Up in my sheets and

We can SHAKE IT GIRLLLLL  
And if you got that cake go on and BAKE IT GIRLLLL  
SHAKE THAT KINKY BOOTAYY

[Chorus?]  
In the club (the club)  
Give me love give me love within in

And this is how I do it in the club
