when i go down town with my baby
i can see all the guys they go wide-eyed
but that's alright

i can't imagine all the things they're thinking
and the way they undress her in their minds
but that's alright

i'm on a road that she keeps on going all night long
she's like a toy that i don't mind showing, but don't
share with anyone
everybody's got a sweet tooth for candy
they wanna get a piece of mine
everybody's got a sweet tooth for candy
she's mine, she's all mine
everybody wants a piece of my candy
all the boys wanna ?
everybody wants to have her
but she's mine!
