I was walkin along, mindin my business,  
When out of an orange-colored sky,  
Flash! Bam! Alakazam!  
Wonderful you came by.

I was humming a tune, drinking in sunshine,  
When out of that orange-colored view  
Flash! Bam! Alakazam!  
I got a look at you.

One look and I yelled "Timber"  
"Watch out for flyin glass"  
Cause the ceilin fell in and the bottom fell out,  
I went into a spin and I started to shout,  
"I've been hit, This is it, This is it!"

I was walking along, minding my business,  
When love hit me in the eye,  
Flash! Bam! Alakazam!  
Out of an orange-colored sky.

Walkin along and only mindin my own business  
When wonderful you came by!

I'm hummin and dreamin and singin and drinkin in the  
sunshine  
When I got a look at you.

I went into a spin and I started to shout  
"I've been hit and there's no way out!"

Flash! Bam! Alakazam and goodbye!  
Out of an orange colored sky.

(Musical Interlude)

One look and I yelled "Timber"  
"Watch out for flyin glass"  
Cause the ceilin fell in and the bottom fell out,  
I went into a spin and I started to shout,  
"I've been hit, this is it!"

I was walkin along, mindin my business,  
When love came and hit me in the eye  
Flash! Bam! Alakazam!  
Out of an orange-colored, purple-striped, pretty green  
polka-dot sky  
Flash! Bam! so long and goodbye

I always thought love would be much softer than that.  
Goodbye!

Wonderful you walked by...
