90 miles outside Chicago
Can't stop driving I don't know why
So many questions, I need an answer
2 years later you're still on my mind

Whatever happened to Amelia Earhart?
Who holds the stars up in the sky?
Is true love just once in a lifetime?
Did the captain of the Titanic cry?

Someday we'll know
if love can move a mountain
Someday we'll know
why the sky is blue
Someday we'll know
why I wasn't meant for you

Does anybody know the way to Atlantis?
Or what the wind says when she cries?
I'm speeding by the place that I met you
for the 97th time
Tonight

Someday we'll know
if love can move a mountain
Someday we'll know
why the sky is blue
Someday we'll know
why I wasn't meant for you
Someday we'll know
why Samson loved Delilah
One day I'll go
dancin' on the moon
Someday you'll know
that I was the one for you

I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
If I could ask God just one question
why aren't you here with me
tonight?

Someday we'll know
if love can move a mountain
Someday we'll know
why the sky is blue
Someday we'll know
why I wasn't meant for you
Someday we'll know
why Samson loved Delilah
One day I'll go
dancin' on the moon
Someday we'll know
That i was the one for you!
