We just can't help it so we do it again  
We just gun the gas and let the wheels spin  
It's true and I've heard it said  
We're not so very far from the back of our heads  
And the moon shines high over Tucson  
Over waters that were long ago dried  
Cause the moon don't care if the water's not there  
It's high tide  
Isn't it physical, and we can't pretend  
That we know where this starts and where this thing  
ends  
It's a mystery and we don't know why  
So we just breathe in deep and close our eyes  
And the moon shines high over Tucson  
Over waters that were long ago dried  
Cause the moon don't care if the water's not there  
It still tries  
It calls to the water and it calls to the land  
It calls to the hearts of women and men  
It calls to the water and it calls to the land  
It calls to the hearts of women and men  
Isn't it a pity, isn't it a shame  
That so much of what we are we won't call by name  
And it's crazy in little ways  
In the light of each and every full phase  
And the moon shines high over Tucson  
Over waters that were long ago dried  
Cause the moon don't care if the water's not there  
It's high tide  
And the moon shines high
