I don't wanna leave any doubt
Of whose I am or what I'm about
Behind every motive in me, Lord let it be You.
I'm not trying to make a name for myself
It's all for You and nobody else
Lord let everything that I do, be just for You.

In Jesus' name, let me love like You today
Lord, let every word I say, bring You praise
Lord, let every breath in me,
Tell the world that You we need
Open blinded eyes to see, in Jesus' name
In Jesus' name

You reach for me in my hopelessness
Rescued me and gave me Your best
And now I know the least I can do
Is make much of You, I'm for You

In Jesus' name, let me love like You today
Lord, let every word I say, bring You praise
Lord, let every breath in me,
Tell the world that You we need
Open blinded eyes to see, in Jesus' name
In Jesus' name

Without You I can't do nothing
With You I'll never fail
I wanna lift You higher and higher
Far above all else

Without You I can't do nothing
With You I'll never fail
I wanna lift You higher and higher
Far above all else
Far above all else

In Jesus' name, let me love like You today
Lord, let every word I say, bring You praise
Lord, let every breath in me,
Tell the world that You we need

Open blinded eyes to see, in Jesus' name
In Jesus' name

I don't wanna leave any doubt
Of whose I am or what I'm about
