Verse1:

I'm lookin' up, the sun is shinin'
There's not a cloud in the sky
I'm feelin' free, feelin' light as a feather
Look out I might just take off and fly
No rainy day could ever stop this party
God has started in my soul
My life's been changed, I'm a new creation
And I've gotta let the whole world know

Tag:

I'm gonna shout it from the rooftops
Gonna take it to the street
I'm telling everybody, everyone I meet

Chorus:

It's a wonderful life that we're livin'
When we're livin' our life for the Lord
It's a wonderful thing--it makes a sad heart sing
Who could ever ask for more
All of this and heaven too
A life worth livin' for
It's a wonderful, wonderful, wonderful, wonderful life

Verse2:

Well I don't need a whole lot of money
To bring me happiness
I don't need to search the world over
To find the meaning of success
George Bailey learned this wonderful lesson
Living up in Bedford Falls
God has a plan for every life to touch another
His loves the greatest gift of all

Chorus:

It's a wonderful life that we're livin'

When we're livin' our life for the Lord
It's a wonderful thing--it makes a sad heart sing
Who could ever ask for more
All of this and heaven too
A life worth livin' for
It's a wonderful, wonderful, wonderful, wonderful life

(It's a wonderful life that we're livin'
When we're livin' our life for the Lord
Who could ask for more
All of this and heaven too
A life worth livin' for
It's a wonderful, wonderful, wonderful, wonderful life

It's a wonderful life that we're livin'
Just like George Bailey
It's a wonderful thing--it makes a sad heart sing
Halleluja)
