Diana:

I saw you light the ballroom
With your sparkling eyes of blue.
Graceful as an angel's wing,
I dreamed a dance with you.
You whispered slyly, softly.
You told me you would be true.
We spun around a thousand stars
I dreamed a dance with you.

I know the night is dying dear...
I know the day will dawn...

Diana & Gabe:

The dancers may disappear
Still the dance goes on...

Gabe:

And on.

Diana:

I'll wake alone tomorrow,
The dream of our dances through.
But now until forever, love,
I'll live to dance with you.

I'll dream my love...
I'll live my love...
And I'll die to dance with
