Dan:  
It's gonna be fine.  
It's gonna be fine.  
Gonna go back to the doctor,  
'Cause we caught it  
Just in time. Diana: [Spoken]  
We'll take the pills, His name-  
And pay the bills.  
We'll do more ECT. Our son-  
It's gonna be good you'll see.

Diana: [Spoken]  
What was his name?

Dan:  
It's gonna be good you'll see.

Diana: [Spoken]  
What was his name?

Dan: Diana:  
It's gonna be good, What was his name?  
Gonna be good, What was his name?  
Gonna be, What was his, what was his,  
Gonna be, What was his, what was his,  
Gonna be, What was his name, name  
Gonna be, Name, name,  
Gonna be good, good, Name, name,  
Good, good, good. Name, name.

Diana:  
What was his name?  
What was his name?

Natalie: [Spoken]  
Dad!
