Diana:  
They're the perfect  
Loving family, so adoring...  
And I love them  
Every day of every week.

So my son's a little shit,  
My husband's boring,  
And my daughter,  
Though a genius, is a freak.

Still I help them  
Love each other  
Father, mother,  
Sister, brother,  
Cheek to cheek!

[Spoken]  
Natalie? It's four in the morning-is everything ok?

Natalie: [Spoken]  
Everything's great, why wouldn't it be great? It's great!

Diana: [Spoken]  
Honey, you need to slow down, take some time for  
yourself.  
I'm going to have sex with your father.

Natalie: [Spoken]  
Great. Thanks. I'm so glad I know that.

[Sung]  
So it's times like these  
I wonder how I take it-  
And if other fam'lies  
Live the way we do...  
If they love each other  
Or if they just fake it,  
And if other daughter  
Feel like I feel too...

'Cause some days

I think I'm dying-  
But I'm really only  
Trying to get through.

Gabe:  
For just another day...  
For another stolen hour,  
When the world will  
Feel my power and obey.

Gabe & Natalie:  
It's just another day...

Gabe:  
Feeling like I'll live forever...

Natalie:  
Feeling like this feeling never goes away...

Gabe & Natalie:  
For just another day.

Dan:  
When it's up to you  
To hold your house together...  
A house you built with  
Patience and with care...  
But you're grappling with  
That grey and rainy weather,  
And you're living on a latte Diana:  
And a prayer- Prayer-

Dan & Diana:  
Can you keep  
The cup from tipping?  
Can you keep  
The grip from slipping in despair?  
For just another day.

Dan & Gabe:  
In the hustle and the hurry.

Dan:  
You want to wipe  
Your worry clean away.

Diana, Dan & Gabe:  
For just another day.

Diana:  
I will keep the

Plates all spinning-

Diana & Natalie:  
With a smile so white  
And winning all the way-

All:  
'Cause what doesn't kill me  
Doesn't kill me,  
So fill me up  
For just another day.

Diana:  
It only hurts when I breathe.

Dan:  
It only hurts when I try.

Gabe:  
It only hurts when I think.

Natalie:  
It only hurts when I cry.

Dan:  
It only hurts when I work.

Gabe:  
It only hurts when I play.

Natalie:  
It only hurts when I move.

All:  
It only hurts when I say...

Dan, Natalie & Gabe: Diana:  
It's just another day A busy, busy day.  
And the morning sun  
Is stunning, I will hold it all together.  
And you wish that you  
Were running far away. I will hide the mess away.  
It's just another day- And I'll survive another day.  
Birds are singing,  
Things are growing, And I will pray  
And you wish To hold on  
You could be going Just this way,  
But you stay.  
And you stay  
And stay forever, And for my fam'ly's sake  
Though you know I'll take what I can take-

It's now or never,  
And you know I'm only just awake...  
That for forever...

Diana:  
Every day is just another...  
And another... and another...  
I will hold it all together.  
We're the perfect loving fam'ly.  
If they say we're not, then fuck 'em-  
The perfect loving fam'ly.  
I will keep the plates all spinning,  
And the world just keeps on spinning,  
[Spoken]  
And I think the house is spinning...
