Diana:

Maybe I've lost it at last.
Maybe my last lucid moment has passed.
I'm dancing with death, I supposed...
But really-who knows?

Could be I'm crazy to go-
They say you should stay
With the devil you know.
But when life needs a change,
And the one devil won't,
You fly to the devil you don't.

Maybe I'm tired of the game-
Of coming up short, of the rules,
Of the shame.
And maybe you feel that way, too...
I see me in you.

A girl full of anger and hope.
A girl with a mother who just
Couldn't cope...
A girl who felt caught,
And thought no one could see-
But maybe one day she'll be free.

Natalie:

It's so lovely that you're sharing.
No, really, I'm all ears.
But where has all this caring been
For sixteen years?

For all those years I prayed that
You'd go away for good-
Half the time afraid that
You really would.

When I thought you
Might be dying-
I cried for all
We'd never be.

But there'll be
No more crying... Diana:
Not for me. Things will get better, you'll see.
Not for me... You'll see...
Not for me... You'll see...
Not for me... You'll see...
Not for me... You'll see...

Diana:
Maybe we can't be okay,
But maybe we're tough,
And we'll try anyway.
We'll live with what's real.
Let go of what's past,
And maybe I'll see you at last.
[Spoken]
We tried to give you a normal life. I realize now I have
no
clue what that is.

Natalie:
I don't need a life that's normal-
That's way too far away,
But something...next to normal
Would be okay.

Yeah, something next to normal-
That's the thing I'd like to try.
Close enough to normal
To get by...

Diana:
We'll get by.

Natalie:
We'll get by.
