Doctor Madden:
A little loss of
Memory is normal,
And helpful in
Forgetting all her fears.

Dan:
I couldn't give
A flying fuck what's normal—
We haven't had
A normal day in years.

Doctor Madden:
Diana, are things becoming
Clearer with the treatment?

Diana: [Spoken]
Yes.

Doctor Madden:
Is life less cloudy
Than it was before?

Diana: [Spoken]
Yes.

Doctor Madden:
Do you still feel your
Head is filled with concrete?

Diana: [Spoken]
No.
[Sung]
And you're not a scary
Rock star anymore.

Doctor Madden: [Spoken]
Okay. Great.

Dan: [Spoken]
But what about her memory?
