Natalie:

Superboy and the Invisible Girl...
Son of steel and daughter of air.
He's a here, a lover, a prince—
She's not there.

Superboy and the Invisible Girl...
Everything a kid ought to be.
He's immortal, forever alive—
Then there's me.

I wish I could fly
And magically appear
And disappear.
I wish I could fly
I'd fly far away from here.

Superboy and the Invisible Girl...
He's the one you wish would appear.
He's your here, forever your son—
He's not here.
I am here.

Diana:
You know that's not true.
You're our little pride and joy,
Our perfect plan.
You know I love you...
I love you as much as I can.

Natalie:
Take a look at the Invisible Girl...
Here she is, clear as the day.
Please look closely and find her before
She fades away.

Natalie & Gabe:
Superboy and the Invisible Girl...
Son of steel and daughter of air.
He's a here, a lover, a prince--
She's not there...
She's not there...

She's not there...
She's not there.
