Days I hide
Lonely times to keep me dry
Taste my life
Buried will survive
And only time
Will tell if we will die

They don't mind
It's just the sand that greets the tide
Waste no time
You got the sun to keep you dry

Ah get your hands off of mine
I'll turn in sweet denial
And all these city dreams will follow me back to the sea
We'll look in their eyes
We'll look in their eyes
Another difference in mind
Would lay me out but

They don't mind
It's just the sand that greets the tide
Waste no time
You got the sun to keep you dry

We can spin
Still in control
Out on our own
If the sea
Carries on we'll go

They don't mind
It's just the sand that greets the tide
Waste no time
You got the sun to keep you dry

They don't mind
It's just the sand that greets the tide
Waste no time
You got the sun to keep you dry

Yeah, yeah, yeah, yeah, yeah, yeah,

Yeah, yeah, yeah, yeah, yeah, yeah,
Yeah, yeah, yeah, yeah, yeah, yeah,
Yeah, yeah, ye-ah
