The Anthem

N G 3

Now this is gonna take a little time to understand
I don't need your money and I do not need a man
And I don't need nobody try to tell me how to dress
What the hell is this? No I won't kiss you on the lips
But you don't even know me like you think you really do
And I don't have the time to play this stupid game with
you
Used to call me blue but now I'm back up on my feet
Stronger than I ever thought that i could ever be

NO NO
That's not the way it's gonna be
NO NO
I don't wanna see you 'round me
I KNOW
Calling out my name is how you speak
Each and every day and every night and every week

NO NO
That's not the way it's gonna be
NO NO
I don't wanna see you 'round me
I KNOW
Calling out my name is how you speak
Each and every day and every night and every week

N G 3
This is for the women of the world like me
This is the darling calling
Stand up if you really want it

N G 3
If you got a R then you gotta have a E
Have a little S P E C T
Boy you gotta show me that you really want it

(Wanna stand NOW)
If you really love that woman STAND DOWN
Heaven ain't above. Heaven's here RIGHT NOW
Treat her like a lady, not a merry go
ROUND ROUND ROUND ROUND NOW
You could be red, white, blue, green, brown
If you got your own cash stand up now
got your own champagne, stand up now now now now

NO NO
That's not the way it's gonna be
NO NO
I don't wanna see you 'round me
I KNOW
Calling out my name is how you speak
Each and every day and every night and every week

NO NO
That's not the way it's gonna be
NO NO
I don't wanna see you 'round me
I KNOW
Calling out my name is how you speak
Each and every day and every night and every week
