Bounce bounce holla for me if you really want it baby
Hands high booty rollin (baseline) rock it for me
Show me that you're digital what are you really waiting
for?

Whos that nockin on my window, whos that comin
through my door?

Enter tha fiesta, there no be siesta

Rude boys hold it down DJs pump it harder

Look what you gone make me do sweat up all my
physical

Now you gone have to dance until i feel like letting go
of you

Lean baby lean baby -cccome and get it

Lean baby lean baby -cccome and get it

Lean baby lean baby -cccome and get it

Lean baby lean baby -cccome and get it

Chorus:

One two three four HOLLA HOLLA

Three two one go HOLLA HOLLA

Allright stop set it off now

Animals manimals hooligans and rebels gettin down

Im bringing in the heat

Holla if you hear me baby

Sing along with me

Baby bend it, rip it, strip it, tear it

Hey boy don't be silly put a condom on ya willy

Lean baby lean baby

I got you going crazy

Wiggle baby jiggle baby come down come an get it

Lean baby lean baby - cccome an get it

Lean baby lean baby - cccome an get it

Lean baby lean baby - cccome an get it

Lean baby lean baby - cccome an get it

Chorus:
