They say im an angry young lady  
Im pissed off and im crazy  
Degradeing me and apparently  
I was kicked out by my own family  
Branded as an average girl band  
With no manager  
Classed as an amature with no  
Hope to take advantage of  
Paranoid and according to tabloids  
We were blownoff  
Never to get the chance to show  
The whole world what were made of  
The pause was momentary  
The training harder than any  
Best believe it now were ready  
Fuck the papparazzi baby
