Tonights the night Im gonna be
Freaky as I wanna be
Top down down town
Turn it up it's NG3
You know I just don give a what
Raise my finger put it up
Nasty Girls are in the club
Burning hot like ready rub
Rocks like superstars
Cartier put it up
Everybody sing along
This is how we do it yall
What the hell you waiting for
Booty got ya backing off
Booty got ya backing off
Sha sha sha shake the dancefloor
Rock the rooftops
Come on come on
Are you ready or not
Sha sha sha shake the dancefloor
Rock the rooftops
Come on come on
Are you ready or not
This is for my sister
If beans and rice did miss ya
Don't take no disrespect from
Mr Weeny with the blister
Come on get up and get with it
Cos homebody can't get down
You're superfly and I'll tell you why
Cos I said so.....DAMN
Some fellas they don't got it
Can't even work a sweat
So until I find a real man
Imo bounce him like a check
Imo get my hair and nails done
Bounce to the disco tech
Com I'm NG3 not opp
And this is how we flex
Sha sha sha shake the dancefloor
Rock the rooftops
Come on come on

Are you ready or not
Sha sha sha shake the dancefloor
Rock the rooftops
Come on come on
Are you ready or not
