

## Ng3 "Rumours"

Visit "[Rumours](#)" on [MotoLyrics.com](http://MotoLyrics.com)

These people keep on talkin  
Scandalise to the early mornin  
Blowin out that player ballin  
To the maximum keep on jawin  
Hey now what goes around  
Is gonna come back to me an no doubt  
Im the girl that ya talk about  
Im the babe that ya love to hate  
And keep down city to city  
Frontpage campains it's all the same thing  
Aint it a pitty people aint got nothin better to say  
Best friends hurtin turn into x-friends  
From one day to the next and  
It all began just like the baby green man  
Warning to all my players ballin  
You know somebodys talkin  
Your the latest news and they wanna  
Know all about you

I can kiss my man if i want to  
Put my hand on his ass if i want to  
At the end of the day what you gone do  
Keep talkin envy is all you  
I can kiss my man if i want to  
Put my hand on his ass if i want to  
At the end of the day what you gone do  
Keep talkin envy is all you

Chorus:

Rumours he said she said bullshit  
Rumours don't need it don't want it no  
Rumours no no no no  
Rumours don't need it don't want it no  
Back stabbers money grabbers  
Low down haters players  
Got no style got no grace  
Mythomaniacs take your place  
They'll be jealouse ladies fellas  
Take a stand raise your papers  
Show the world it's your diamondrings  
Your attitude and your mercedes-benz  
I can kiss my man if i want to  
Put my hand on his ass if i want to

At the end of the day what you done go  
Keep talkin envy is all you  
I can kiss my man if i want to  
Put my hand on his ass if i want to  
At the end of the day what you done go  
Keep talkin envy is all you  
Do you wanna know how it all began  
How ya lost all your friends and you  
Lost ya man  
Y
