Uh, c'mon, one, two, yeah
Ha ha, Crazy Town

Dancing with the Devil on the 13th floor
Non stop knocking on Heaven's door
Thinking faster flirting with disaster plastered
I'm your puppet master pushin' proper data

Watch the city steal your soul
As the drugs take control
And the problems of the world put your life on hold
You should have known by now that it just don't stop
You like that Rock, Hip-Hop you make me crotch

I got a lollipop porn bitch
(Dead on arrival)
A hardcore sex bitch turned
(Suicidal)

I got a lollipop porn bitch
(Dead on arrival)
A hardcore sex bitch turned
(Suicidal)

All caught up now
Taking my chances playing my song
While the Devil dances 'round me
Beggin' me to play along

All caught up now
Taking my chances playing my song
While the Devil dances 'round me
Beggin' me to play along

Now over the years I've learned to love the pain
I'm what you call a lady Killer with the gift of game
Triple X true that you do dat, dat
Let it ride bring it back over 24 tracks

We're gonna rock the fuckin' block tonight
We're gonna rock that shit gonna make it right
Diggi, diggi, damn right, we's dynamite

So we can do this or you can do what you like

I grab the mic and make it mine
I grab the mic and make it hype
So we can do this
Or you can do what you like
I got a lollipop porn bitch
A hardcore sex bitch turned, suicidal

I got a lollipop porn bitch
(Dead on arrival)
A hardcore sex bitch turned
(Suicidal)

I got a lollipop porn bitch
(Dead on arrival)
A hardcore sex bitch turned
(Suicidal)

All caught up now
Taking my chances playing my song
While the Devil dances 'round me
Beggin' me to play along

All caught up now
Taking my chances playing my song
While the Devil dances 'round me
Beggin' me to play along

Riding on the 3rd rail, taking risk, life is risky
The "E" Stands for Epic and The "S" stands for shifty
So let the good times roll, there's no controlling us
Walking on water and kicking up dust
The boisterous, causing panic in the land of lust

The shellshock lollipop Crazy Town to make your body
rock
Sugar I love the way your body talks
Now, whoever said that sex was overrated
Love leaves me devastated, life's so fuckin'
complicated

Shifty say what, Epic's a beat slut
And I got so many rhymes
I can't keep my mouth shut
Said, I got so many rhymes
I can't keep my mouth shut

I got a lollipop porn bitch
(Dead on arrival)
A hardcore sex bitch turned

(Suicidal)

I got a lollipop porn bitch
(Dead on arrival)
A hardcore sex bitch turned
(Suicidal)

All caught up now
Taking my chances playing my song
While the Devil dances 'round me
Beggin' me to play along

All caught up now
Taking my chances playing my song
While the Devil dances 'round me
Beggin' me to play along
