Visit "[Sorry](#)" on MotoLyrics.com

I'm sorry, I'm not what you are
So sorry, the ugly of it all
All my life, I was beneath you
It's all my fault please forgive me

Maybe I could change
Maybe I could try, maybe I could
But then again

Why would I want to
Lie like you, thief like you
Hurt like you, deceive like you
Connive like you, cheat like you
It's not that hard to be like you
But then again why would I want to?

I'm sorry, I am so ashamed
So sorry I'll take all the blame
All my life I've been so confused
It's all my fault, please forgive me

Maybe I could change
Maybe I could try
Maybe I could

Why would I want to
Lie like you, thief like you
Hurt like you, deceive like you
Connive like you, cheat like you
It's not that hard to be like you
But then again why would I want to?

Why would I want to
Why would I want to
Why would I want to
Why would I want to
Why would I want to
Why would I want to

I'm sorry, I'm not what you are
So sorry, the ugly of it all
All my life, I was beneath you

It's all my fault, please forgive me
