I can feel it
I can feel it
I can feel it
Toxic

Catch a fire, fire it up
Corrupt stirrin' it up
It's burnin' hot, driftin'
Hittin' every slot
With a drop kick, it's toxic
Trouble, like your girl in a mosh pit
I've lost it
An' that's the only way that we rock shit
Banging heads an' ripping threads
If I wasn't rocking shows
I'd be better of dead
With a one, two
One word can destroy your whole crew
An' that's toxic
An' that's toxic

Toxic, loud an' mock shit
Crazy Town's lost it
With that rock your block shit
Toxic, popping more lip
We love to talk shit
Rocking you block
With that straight out the block shit
Toxic, loud an' anxious
Crazy Town's lost it
With their rock your block shit
Toxic, popping more lip
We love to talk shit
Rocking you block
With that straight out the block shit
Toxic

Toxic
Toxic
Toxic

A Buddha, ballistic

Blacklisted twist of faith
My vocal's fatal
With naughty block concoctions rock your cradle
I thought I wait 'til the timin' was right to ignite
'Cause people like me, we only come out at night
I rock the main line an' party with fine bitches
Which is a dirty job, but somebody's got to do it
Who's the crew with?
More hose than divid, livid, explicit
So fuck the critics
We leave them hangin' like in excess

Toxic, loud an' mock shit
Crazy Town's lost it
With their rock your block shit
Toxic, popping more lip
We love to talk shit
Rocking you block
With that straight out the block shit
Toxic, loud an' anxious
Crazy Town's lost it
With their rock your block shit
Toxic, popping more lip
We love to talk shit
Rocking you block
With that straight out the block shit
Toxic

Toxic thresholds of Columbian gold
You can't roll how we roll
We possess you soul
An' push the panic
Is it Godly or Satanic?
Toxic or organic?
Manic minds, refined or frantic
Just the way we planned it
See we be stomping around the planet
An' we stand alone
We infiltrate your chromosomes
No clone, our DNA has got a strain of it's own
An' it's toxic

Toxic
Toxic

Toxic, loud an' mock shit
Crazy Town's lost it
With their rock your block shit
Toxic, popping more lip
We love to talk shit
Rocking you block

With that straight out the block shit
Toxic, loud an' anxious
Crazy Town's lost it
With their rock your block shit
Toxic, popping more lip
We love to talk shit
Rocking you block
With that straight out the block shit
Toxic
