What's up Atlanta, it's good to see you  
I hope you don't mind if I play you a few  
Songs that I wrote  
I got some bout love, some bout hate  
Some bout that feeling that lies in the gray  
Some for the good times, some for the bad  
And a few for myself, cuz it's all that I have  
To give me hope, when hope is just what I need  
It's just so natural, like there aint nothing to it  
All I gotta do is let the words write themselves  
While I play my acoustic  
There aint nothing to it  
All I gotta do is let the words write themselves  
While I play my acoustic muse  
Man I like acoustic music  
I hope you like acoustic music  
Cuz man I love acoustic music  
Raise up your glass people  
Here's to you, to take your time out  
So I can play you a few  
Songs that I wrote  
I got some bout love, some bout hate  
Some bout that feeling that lies in the gray  
Some for the good times, some for the bad  
And a few for myself, cuz it's all that I have  
To give me hope, when hope is just what I need  
It's just so natural, like there aint nothing to it  
All I gotta do is let the words write themselves  
While I play my acoustic music  
There aint nothing to it  
All I gotta do is let the words write themselves  
While I play my acoustic music  
Man I like acoustic music  
I hope you like acoustic music  
Cuz man I love acoustic music  
There aint nothing to it, but to do it  
Ya feel me?  
Here we go  
Come on and try it, and if you like it  
Then you can buy it  
My website can supply it  
If you want me, you can find me

If you want me, you can find me  
Baby I said if you want me  
You can find me in the A- A- A- A- A- A  
If you want me, you can find me  
If you want me, you can find me  
Baby I said if you want me  
You can find me in the A- A- A- A- A- A
