The way she walks
Freeze a man
Shell make you stop
Right where you stand
Don't drive your car
Don't ride your bike
Cuz you just might wreck, if she's walking by
From head to toe, she's good to go
That girl's a catch
But she don't know
I think that God must take his time
When he makes a woman fine as mine

(Chorus)

She finer than a sunny day in spring
Finer than my favorite pair of jeans
Finer than my mommas cooking
That's how good my girl is looking
Thank the lord for women fine as mine

The way she talks drives me wild
Don't matter what she's talking bout
That southern draw melts any man
Look at me, I'm putty in her hands

(Chorus)

She's finer than a sunny day in spring
Finer than my favorite pair of jeans
Finer than my mommas cooking
That's how good my girl is looking
Thank the lord for women fine as mine

Seeing is believing but I can't believe my eyes
There must be a rhyme or reason
But I don't know why, and I don't care
I'd rather stare at you all night

(Chorus)

She's finer than a sunny day in spring
Finer than my favorite pair of jeans
Finer than my mommas cooking
That's how good my girls is looking
Thank the lord for women fine as mine

I said thank the lord for women fine as mine
Thank the lord for women fine as mine
