You know I love you Mary  
I been loving you for quite a while  
I'm never gonna stop, spending time with you  
Cuz you aint never let me down  
When my life is going crazy and I don't know what I'm  
gonna do  
You're always there to save me, you'll always be my  
baby  
That's why I wrote this song for you  
Just for you honey  
I can taste you on my lips  
Smell you on my clothes  
Honey I can't go without you even one day is too long  
Mary, you got a hold on me  
First thing in the morning  
Before I make my way out the door  
We are gonna spend a little time you and me together  
Cuz I can't ever get enough  
When my life is going crazy and I don't know what I'm  
going to do  
You're always there to save me, you'll always be my  
baby  
That's why I wrote this song for you  
Just for you honey  
I can taste you on my lips  
Smell you on my clothes  
Honey I can't go without you even one day is too long  
Mary, you got a hold on me  
The smoke comes up, every time that we get down  
Pick me up and put me on higher ground  
I can taste you on my lips  
Smell you on my clothes  
Honey I can't go without you even one day is too long  
Mary, you got a hold  
Mary, you got a hold  
Mary, you got a hold on me
