Sometimes I wonder where Iâ€™ve been
Who I am, do I fit in
make believe it, is hard alone
Out here on my own

Weâ€™re always proving who we are
And always reaching for that rising star
To guide me far, and shine me home
Out here on my own

When Iâ€™m down and feeling blue
I close my eyes, so I can be with you
Oh Baby be strong for me, baby belong to me
Help me through, help me need you

Until the morning, the sun appears
Making light of all my fears
Idry the tears i never shown
Out here on my own

But when Iâ€™m down and feeling blue
I close my eyes, so I can be with you
Oh baby be strong for me, baby belong to me
Help me through, help me need you

Sometimes I wonder where Iâ€™ve been
Who I am, do I fit in
I may not believe
I won't be strong
Out here on my own
Out here on my own
