Apartment door is left ajar  
An eye in the glass on the parquet floor  
All the guests have left and gone  
But I'm still here on the 2nd floor

2nd Floor and I still want more  
2nd Floor, 2nd Floor  
On the 2nd Floor, 2nd Floor

Aftermath in an amber glow  
A vodka bath for this shipwrecked soul  
Seconds fly as the years flow by  
But I don't care, I'm on the 2nd floor

2nd Floor and I still want more  
2nd Floor, coming back for more  
On the 2nd Floor, 2nd Floor

Why fear death?  
Death never hurt no one

2nd Floor, on the 2nd floor

2nd Floor, 2nd floor  
On the 2nd Floor, coming back for more  
On the 2nd Floor, 2nd Floor

Oh, I can't tell if you hurt nomore

2nd Floor, coming back for more  
2nd Floor and I still want more

2nd Floor, 2nd Floor  
2nd Floor
