I'm here, I'm here  
On another planet  
How's it with you  
On your planet?

All was surreal  
On this planet  
I felt so regal  
It was so romantic

Now, it's all changed  
And the plot's unfolding  
Another fairy tale  
With a twisted end

They're coming out the walls  
They're seeping in  
There's armies of them crawling  
They're coming in, they're coming in

Satellite, unthinking  
Satellite above  
Looks down unblinking  
Satellite of thought, unthinking

They're coming out the walls  
They're seeping in  
Three odd eyed tentacles  
Speak in forked tongues

Sprouting all over me  
And I'm blossoming  
I'm breaking out the walls  
I'm coming in, I'm coming in  
I'm coming in

I'm here, I'm here  
On another planet  
How's it with you  
On your planet?

Satellite above

Looks down unblinking  
Satellite of thought, unthinking

Satellite, satellite, unthinking  
Satellite, satellite, satellite, unthinking  
Satellite, satellite, satellite  
Unthinking, unthinking  
Unthinking, unthinking
