The bursting balloon cocktails are soon  
Young glands, young flesh invade the room  
A sardonic mood  
Watch the rich fatty eating raw fish with avid curiosity

Oh, piggy squeals and donkey bray at a sober party  
Doggy barks and horsey neighs try to shock the party  
Piggy squeals and donkey brays  
Doggy barks and horsey neighs

Impaled on pleasure, impaled on a spear  
Impaled with danger, impaled with fear  
A disfigured, dismembered sex with a third world cast  
Young glands, young flesh, the beating heart

Oh, piggy squeals and donkey brays at a sober party  
Doggy barks and horsey neighs try to shock the party  
Piggy squeals and donkey brays  
Doggy barks and horsey neighs

The bursting balloon, cocktails are soon  
Young glands, young flesh penetrate the room  
They fall on the camera lens against the tumble drier  
screen  
On the edit room floor lies a messier scene

Oh, piggy squeals and donkey brays at a sober party  
Doggy barks and horsey neighs try to shock the party  
Piggy squeals and donkey brays at a sober party  
Doggy barks and horsey neighs try to shock the party

Piggy squeals and donkey brays at a sober party  
Doggy barks and horsey neighs try to shock the party
