Imagoro, Imagoro
[Foreign Content]

It only hurts now and then
From sunrise to sunset
It's a long time since I saw you last
Thank you for your kindness

Sleepwalking barefoot, dangerous thought
In a looking glass ghost story
I wonder if for the first time
At the looking glass welcome party

It only hurts now and then
From sunrise to sunset
It's a long time since I saw you last
I know it cannot be helped

It only hurts now and then
From sunrise to sunset
It's a long time since I saw you last
I know it cannot be helped
