Wild thing
You make my heart sing
You make everything groovy

Wild thing, wild thing
Wild thing, oh, wild thing

Wild thing, I think I love you
But I want to know for sure
Come on, hold me tight
I love you

Oh, wild thing
You make my heart sing
You make everything [Incomprehensible] groovy

Wild thing, I think I hate you
But I want to know for sure
So come on, hit me hard
Oh, I hate you

Oh, wild thing
Wild thing, wild thing
Oh, wild thing

Wild thing, I think you're movin' me
But I want to know for sure
So come on, hold me tight
You move me

Wild thing
You make my heart sing
You make everything [Incomprehensible] groovy

Shake it, shake it wild thing
Shake it, shake it wild thing
Shake it, shake it wild thing
Oh, you move me
