Guess what happened me today  
Girls looked at me and said: Hey  
But they wont do that anymore  
They didn't mean that I'm for sure  
Today I got help from my friends  
They carried me home and tought me sense  
I don't know how to get along  
Cause I lean upon everybody's backs and try to carry  
on  
They wont help me anymore  
They didn't mean that I'm for sure  
They wont help me anymore  
They didn't mean that I'm for sure  
What have I done in my life  
I havn't tasted fame nor I havn't had a wife  
But I don't care, no not anymore  
I can't care, no not anymore  
But I don't care, no not anymore  
No not anymore
