I jumped on a train last night
It took me nowhere
I'm on my way back home again
I jumped the edge last night
Tried to kill myself
But I changed my mind yeah
Oh Yeah
People say that I'm OK
But I don't care of what they say
People say that it's alright
If I just fade into the light
I kill time one day
Cause I am a mess
I can't change my mind yeah
I can't change my mind
I can't change my mind
I can't change my mind
I can't change my mind
I was caught by the fuzz last night
They hit me so hard so I hit them back and
Everything went black and
(Everything went black and)
I'm on the run agaaaaain
Again... Again.... Again Again
I jumped on a train last night
It took me nowhere
I'm on my way back home again
I jumped the edge last night
Tried to kill myself
But I changed my mind yeah
(I can't change my mind)
(I can't change my mind yeahaaaa)
