You are married
I am buried
You've got children
I can barely take care of myself
You've been to London
You've been to Hollywood
You think it's cool, it's cool going there

I can deal with this
But I doubt that you feel OK, OK, OK, OK, OK, OK, OK

You moved away from here
And nobody cared 'bout your stupid plans for the
future
I felt sorry for you
Look how far you went
You've made success
Thank God I'm blessed, I'm impressed and all of that

I can deal with this
but I doubt that you feel OK, OK, OK, OK, Hey!

OK, OK, OK!

I can deal with this
but I doubt that you feel OK, OK, OK, OK, OK,OK, OK

OK, OK, OK!
I guess you are buried
I am married
I've got children
I have learned to take care of myself
I've been to London now
I'm a star in Hollywood
Don't think it's cool, it's not cool going there

Make more success than you
You know it is true
And when you're feeling blue
No one will ever listen to you
I've been to London now

I'm a star in Hollywood
Whatever you do, don't go waiting for your big break
through
