I've been away
Sailed the seven seas
I've been kidnapped, robbed and down on my knees
Streets
I've walked many streets
I've been lied to
I feel incomplete
Mother, Father, Friends
Don't Bother
Sister and brother
I hit the road
I drove very far
I drove till the edge of the world
Then I sold the car
I've been climbing walls
I've been up very high
But you brought me down again
Thanks for saving my life
Mother, Father, Friends
Don't Bother
Sister and brother
I'm coming home
Don't wanna be alone (I miss you)
I'm coming home
Before I turn into stones
I'm coming home
Mother I'm coming home
Father I'm coming home
Friends! Friends don't wanna be alone
Sister and brother...
Mother, Father, Friends
Don't Bother
Sister and brother
I'm coming home
Don't wanna be alone (I miss you)
I'm coming home
Before I turn into stones
I'm coming home
