This is the way we harmonize(4x)

Smooth B, can you harmonize?

(Yes) I can harmonize

Greg Nice, can you harmonize?

(Yes) I can harmonize(2x)

[ Greg Nice ]

Ladies call me Candyman

Flowin through the hour glass just like sand

Like the piano I am grand

Rush the stage, don't need no stand

Just my fans wavin their hands

Put it in stereo, put it in pan

Grand vernacular, spectacular

(Yo gee, he bit yo shit like Dracula)

Puff, the Magic Dragon

I'm not braggin, lollygaggin

Got much clout, drink Guinness Stout

(Yo gee, here's the pipe) (Count me out)

No way Jos

You like my style plus my cliché

Troop along, a share of ricochet

Eratic, got a bad habit

See that redbone? I already stabbed it

Hold that blunt too long, I'm gonna grab it

[ Smooth B ]

Go within, feel your heartbeat, then

Let your soul and mind blend, grin

Now you're at peace with yourself

And that's more than material wealth

Cause everytime I put my mind on God

Things really don't seem so hard

And I can be the man I really wanna be

(Smooth) and that's more than an MC

Everytime I rock a mic

It's like ology-psych

And I just wanna press on like Lee

And make a movie like Spike

But I proceed to give you what you need

Indeed, my rhymes take heed  
Mystical, magical, metaphysical topics  
And no one can stop this

This is the way we harmonize

[ Pure Blend ]

Nice & Smooth and Pure Blend are back again  
(You know we're back again)
