[Greg Nice]  
Met the girl from down the hill  
She said, "Umm whassup Jack?" Said, "Whassup Jill?"  
We can get busy if you're on the pill  
How you feel what's the deal girl I'm for real  
Li-sten booty and listen good  
I should I would if I only could  
Jazzy Jill, you're a cutie  
See yo' body I see your booty  
Jack Lalanne ain't get you fruity  
Spankin me up down, givin me a frown  
Tryin my best must to act like a clown  
Oooh, baby yo' skin is brown

Can we hang out and play the town?  
Yo bust it, play the town  
I took the booty to the flick on Rolla(?)  
It was wack, a bullshit drama  
Usher where's the balcony?  
Damn my dick is hard baby  
Hickies icky make me sick  
Next thing you know she was suckin my  
Ding-ding-ding-ding-ding don't be so quick  
Take it slow, get every lick  
YEAHHH BABY!Way to go!  
Shot it in her mouth, she wanted mo'  
Breath is Scope'n, stop your hopin  
She's all mine I got her chokin  
Where's my gun, you think I'm jokin?  
Motherfucker, all you got is a token  
Jill, your moms get skied alone  
Pops is drunk so he is gone  
Brother's jerkin his dick in the bed  
Sister got FORTY LICKS suckin the head  
So I swung the ho, I did a stunt  
I'm good to go, baby don't you front  
Sat her on my lap, put my finger in her cunt  
Sat her on my lap, sat her on my lap  
Sat her on my lap and put my finger in her cunt  
When I finished I smoked a blunt {\*laughing\*  
Ahhhh, D-Square
