

## Nice & Smooth "Scared Money"

Visit "[Scared Money](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Greg Nice]

Aww man, aww man  
The landlord, keeps stressin me  
God, ohh, bill collectors is just ringin my phone off the  
hook  
Oh my God my {?} is up  
I won't be gettin no more monthlies from them  
Oh my God, they say money is the root of all evil  
But umm...

[uncredited singer]

Get money - scared money, don't make no money  
Say what say what; get money - scared money, don't  
make no money  
Get money money - scared money, don't make no  
money  
I ain't afraid no more - scared money, don't make no  
money

[Greg Nice over singer]

I ain't afraid, Nice & Smooth ain't afraid  
Ed Hall ain't afraid, we ain't afraid baby we ain't afraid

[Chorus: Greg Nice]

Now, do you want the fly girls? (GEAH!)  
You want the fly cars? (YEAH!) You wanna be a star?  
(YEAH!)  
But scared money don't make no money  
But scared money don't make no money

[Greg Nice]

Dug deep in my pockets, nothin came out  
A thread and lint UHH what's that all about?  
Even Big Willies take a spill sometimes  
No doubt, I gotta stay on the paper route  
Now it's time to blow, peace to Rob, peace to Show  
I still get my cut, from a brother Denny Moe  
Slow and low be the tempo that I flow  
Sippin on the Heine', puffin on the 'dro

Scared money don't make no money {\*4X\*}

[Smooth B]

It's Smooth B, I be the same rooster

I get mad if my pockets ain't fat like they used to  
be, money ain't G-O-D

So I make it then spend it cause it's easy for me

No fair, never scared, never to be compared

to other MC's we drop too many degrees

Please, now I'm gonna show you how the East was won

Weight on my back, of six sextillion tons

Don't forget, 21 seconds, when we gettin fast money

Hold yo' head, don't get hyper, get money, get money

[uncredited singer]

Scared money, don't make no money {\*4X w/ ad libs\*}

[singer scats and ad libs for the rest of the song]
