If you can feel what I am feeling
Then the truth is just believing
You're my, you're my diamond girl

Diamond girl you make me feel
Like I'm on fire when you are near
You captivate me with your smile
Girl you make me get so wild

Ooh, oh diamond girl
You're my diamond girl
Ooh, oh diamond girl
You're my diamond girl

Diamond girl I'd like to know
If I am getting near your door
Which will only make me want you more
Ooh, I feel it coming through your door

Ooh, oh diamond girl
You're my diamond girl
Ooh, oh diamond girl
You're my diamond girl

If you can feel what I am feeling
Then the truth is just believing
You're my, you're my diamond girl
Ooh, oh diamond girl

You fit right on my finger
I'm so proud to have me in you
I persist to enjoy all your gifts

You fit right on my finger
I'm so proud to have me in you
I persist to enjoy all your gifts

Diamond girl where we go wrong
The love I felt was all along
Why did you had to leave so soon
I feel so lonely without love

If you can feel what I am feeling
Then the truth is just believing
You're my, you're my diamond girl

Ooh, oh diamond girl
I'll always be your diamond girl
You're my diamond girl

Diamond girl tu me aces centir
Como estoy en fuego junto ati
Tu me captivas con tu amor
Te quiero dar todo mi calor
Mi nia de diamante, si tu eres si tu eres

You're my diamond girl
You fit right on my finger
I'm so proud to have me in you
You're my, my diamond girl
