

Creedence Clearwater Revival "Get Down Woman"

Well, get down woman, before I have to go
Well, get down woman, before I have to go
You know, you hurt me with your bad mouth
And I just don't wanna know

Well, slow down, baby, and gimme a little time
Well, slow down, baby, and gimme a little time
If you want me hanging around
Gotta give me some peace of mind

Oh, get down boy

Well, get back, woman, before you bring it down
Well, now, get back, baby, before you bring it down
Or you can tell it to the wall
Without me hanging around
