Where you been, Where you been little girl
don't be afraid I won't tell
I wanna know but I worry so
Where you been, Where you been, Where you been

What'd you do, what'd you do little girl
If it was bad I don't care
Just let me know cause I love you so
Where you been, Where you been, Where you been
No matter what you do baby
No matter what you might say baby

I'm gonna love you no matter what it is
Can't you see, Can't you see, Can't you see

Talk to me, talk to me little girl
Don't be afraid Johnny's here
Please let me know so I won't worry so
Talk to me where you been little girl
Talk to me where you been little girl
