"Who'll Stop The Rain"

Long as I remember
the rain been comin' down.
Clouds of myst'ry pouring
confusion on the ground.
Good men through the ages,
try'n' to find the sun,
and I wonder, still I wonder,
who'll stop the rain.

I went down Virginia
seekin' shelter from the storm.
Caught up in the fable,
I watched the tower grow.
Five years plans and new deals,

wrapped in golden chains,
and I wonder, still I wonder,
who'll stop the rain.

Heard the singers playin'
how we cheered for more.
The crowd had rushed together,
trying' to keep warm.
Still the rain kept pourin',
fallin' in my ears,
and I wonder, still I wonder
who'll stop the rain.
