This train is always moving  
It's the same over this flowing beauty  
It twists and turns in mountains and valleys  
Everyone of us, getting carried

This train it don't segregate  
It's a shining vessel in the rooms always  
Through the human condition all over the earth  
Tragedy and comedy, death and birth  
You know I want to know...

Chorus:

You gonna ride? Gonna ride? Tell me...  
Are you gonna ride?  
Compromise? Compromise? When you...  
Gonna compromise?

Realize! Realize...  
That this train is your life

(Repeat Intro)

This train is a joyous place  
Cleanse your mind, clear your plate  
Write about your life, read about another  
On this train we're all sisters and brothers

This train don't cost no money  
We all ride for free if we accept everybody  
Ruthless ramblers and fumbling gamblers  
And everyone who, needs a family  
That's why I really wanna know....

(Repeat Chorus)

Bridge

This train moves at the speed of a restless spirit  
We call ourselves the Nay-Sayers  
And those who fear it  
You know I really want to know...

(Repeat Chorus)

This train, this trainÂ...
