(by Richard Marx)

Whenever I'm weary from the battles that rage
in my head
You make sense of madness when my sanity
hangs by a thread
I lose my way but still you seem to understand
Now and forever
I will be your man

Sometimes I just hold you
Too caught up in me to see

I'm holding a fortune that heaven has given
to me
I'll try to show you each and every way I can
Now and forever
I will be you man

Now I can rest my worries and always be sure
That I won't be alone anymore
If I'd only known you were there all the @me
All this time

Until the day the ocean doesn't touch the
sand
Now and forever
I will be your man
Now and forever
I will be your man
