Talking ma, I know the situation is personal
But it something that has to be told
As I was making this beat
You was all I could think about you heard my voice

Yeah, just think, just think
What if you could just
Just blink your self away
Just, just wait just pause for a second

Let me plead my case
It's the late 70's, huh
You seventeen, huh
And having me that will ruin everything, huh

It's a lot of angels waiting for their wings
You see me in your sleep so you cant kill your dreams
300 dollars that's the price of living what?
Mommy, I don't like this clinic

Hopefully you'll make the right decision
And don't go through with the knife decision
But it's hard to make the right move
When you in high school

How you have to work all day and take night school
Hopping off da bus when the rain is pouring
What you want morning sickness
Or the sickness of mourning

I will always be apart of you
Trust your soul know it's always true
If I could talk I would say to you
Can I live
Can I live

I will always be apart of you
Trust your soul know it's always true
If I could talk I would say to you
Can I live
Can I live

I am a child of the king
Ain't no need to go fear me
And I see the flowing tears so know that you hear me
When I move in your womb that's me being scary

'Cause who knows what my future holds
Yo the truth be told you ain't told a soul
Yo you ain't even showing I'm just 2 months old
Through your clothes try to hide me deny me

Went up 3 sizes
Your pride got you lying saying ain't nothing but a
migraine
It ain't surprising you not trying to be in Wic food lines
Your friends will look at you funny but look at you
mommy
That's a life inside you look at your tummy

What is becoming ma I am Oprah bound
You can tell he's a star from the Ultrasound
Our spirits connected doors open now
Nothing but love and respect thanks for holding me
down, she let me live

I will always be apart of you
Trust your soul know it's always true
If I could talk I would say to you
Can I live
Can I live

I will always be apart of you
Trust your soul know it's always true
If I could talk I would say to you
Can I live
Can I live

I will always be apart of you
Trust your soul know it's always true
If I could talk I would say to you
Can I live
Can I live

I will always be apart of you
Trust your soul know it's always true
If I could talk I would say to you
Can I live
Can I live

It's uplifting fo' real y'all
I ain't passing no judgment
Ain't making no decisions

I am just telling y'all my story my love life

I love my mother for giving me life

We all need to appreciate life

A strong woman that had to make a sacrifice

Thanks for listening, thanks for listening

Mama, thanks for listening
